

## **easyJet Travel Insurance Privacy Policy**

This Privacy Policy relates to the personal data processed by Zurich Insurance Plc and Collinson Insurance Group for the provision of the easyJet Travel Insurance products underwritten by Zurich Insurance Plc, administered by the Collinson Insurance Group.

Zurich Insurance Plc (UK Branch) are committed to protecting and respecting your privacy. This Privacy Policy explains how we treat any personal data we collect and process when you use this website.

### **1. Collection and processing of your personal data**

We only collect and process your personal data if:

- You have agreed to it; or
- It is necessary in order for us to be able to provide our service or product, which you have agreed to; or
- It is necessary for compliance with our legal obligations as providers of Financial Service Products
- We have legitimate reason to do so, such as for fraud prevention or debt collection.

### **2. What types of personal data we handle**

We collect and process the personal data that you provide when interacting with us, either online or via email, phone or post.

Such personal data may include the following:

- First name and surname;
- Postal and/or email address;
- Gender, date of birth;
- Country of residence and/or nationality;
- Unique identifier information (e.g. your customer username or number and password);
- Financial information (e.g. payment card or bank account information);
- Health information, where it is relevant to the service we provide;
- Some details provided by your device such as IP address, device ID, device type, and location data.

### **3. How we use your personal data**

We may use the personal data we collect and process about you in order to:

- Provide and administer Insurance products and services, including claims;
- Process any payment required for the products and services you have requested;
- Respond to any enquiries from you regarding our products and services;
- Where you have agreed, provide you with information about certain other goods and services which we believe may be of interest to you;
- Meet our legal and regulatory obligations;
- Detect and prevent fraud.

### **4. Personal data sharing and transferring**

We will not share your personal data with anyone else unless you agree to this, or such sharing is necessary to fulfil our contract with you, or we are legally allowed or required to do so. Moreover, your personal data will only be shared with selected organisations which comply with our security procedures and policies.

Organisations we may share your personal data with include:

- Another member of the Zurich group of companies where they help provide our services to you;

- Collinson Insurance Group who administer the product on our behalf
- Our service providers and subcontractors, where they help provide our services to you;
- A regulating body or other authority where we need to comply with a regulatory or legal obligation;
- Fraud prevention or debt collection organisations when required to protect our legitimate interests.

Some of those organisations may be based in a country outside the European Economic Area or where different data privacy laws apply. We will only transfer your personal data to that country if they ensure an adequate level of protection of your rights and freedoms, or you have given us your consent, or that organisation is contractually bound to meet European Economic Area data protection law.

We will not sell your personal data to anyone.

## **5. Personal data protection and storage**

Personal data collected and processed in accordance with this Privacy Policy is stored on secure servers located in the United Kingdom or European Economic Area (EEA).

We handle your personal data in accordance with adequate and reasonable procedures and technologies in order to maintain and protect its security, availability, confidentiality and integrity, and prevent its unlawful or unauthorised processing, accidental loss or damage, from its collection until its destruction.

Where personal data is transmitted across the internet, it will be encrypted.

Where we have given you (or where you have chosen) a password which enables you to access certain parts of your personal data, you are responsible for keeping this password confidential. We ask you not to share a password with anyone.

## **6. Personal data disposal and retention**

We will only keep your personal data for as long as it is needed for the purposes for which it was collected and we will remove from our systems all personal data which is no longer required.

We will only retain your personal data after this time where we are required to do so, in order to meet a regulatory or legal obligation.

## **7. Use of cookies**

Cookies are used on our website in order to improve your user experience by enabling our website to 'remember' you, either for the duration of your visit (using a 'session cookie') or for repeat visits (using a 'persistent cookie'). Cookies may also be used to enable us to target our services or products based, for example, on your location and/or browsing habits. Please click here to read the [Cookie Policy](#) which explains what happens and how you can alter your cookie settings.

## **8. Your rights**

On 25 May 2018, the new General Data Protection Regulation comes into force. This regulation gives you, as the data subject new rights with regards to your personal data. Some of those rights are new and we may not be in a position to satisfy them until May 2018. However, those rights marked with an \* below are already available to you

- \* Request a copy of the personal data we hold about you;
- \* Have your personal data corrected if it is inaccurate or incomplete;
- \* Request the deletion of your personal data where it is no longer necessary for us to keep it for the purpose for which it was originally collected or processed, unless we have a legal or regulatory obligation to retain the personal data;

- Restrict further processing of your personal data. Where you have previously entered into a contracted service or product with us, this may imply cancelling the contracted service or product;
- \*Withdraw your agreement to direct marketing, including profiling;
- Obtain and reuse your personal data for your own purposes subject to certain conditions of portability.
